Quality Streetscape Solutions Since 1987

Brandon Industries has been at the forefront of enhancing the face of America's neighborhoods while retaining their heritage for over 32 years. We are headquartered in McKinney, Texas and with growing demand we have expanded our offices and production capabilities.

Brandon Industries has worked alongside many satisfied customers across the United States, including municipalities, developers, and designers. Treating our customers with respect and honor has allowed our company to thrive upon the referrals from thousands of satisfied customers.

We bring visually stunning spaces to life with our wide variety of Streetscape solutions which include street lights, street signs, cluster box units, and much more. We carry a full family of products, and we can sell you everything from just the pole to the complete unit.

As an established manufacturer with thousands of satisfied customers, we pride ourselves on personal service and quality products.

Legendary Customer Service

One Vendor, Many Products

We strive to make your life easier by providing all of your Streetscape needs under one roof. Your time is valuable, and we help eliminate the need to deal with multiple vendors. We also carry a large ready to ship inventory to cover you when you are short on time. With one call or email, Brandon Industries can handle all of your Streetscape needs.

Order With Confidence

We want you to be satisfied with every purchase from Brandon Industries, Inc.® If you are not satisfied, return the item within 30 days. We will replace it or refund the purchase price, as you wish.

Warranty

Brandon Industries, Inc. warrants its products to be free from defects in material and workmanship. Our castings and extrusions are covered for a period of one year, and our LEDs are covered for a period of five years. We will repair or replace defective products.

For Your Protection

We inspect all shipments to make sure your order gets to you in perfect condition. However, mishaps may occur during shipping, so please check at the time of delivery to see that all boxes are included and that none have been damaged.

Products Crafted To Enhance Communities

Design Guidance

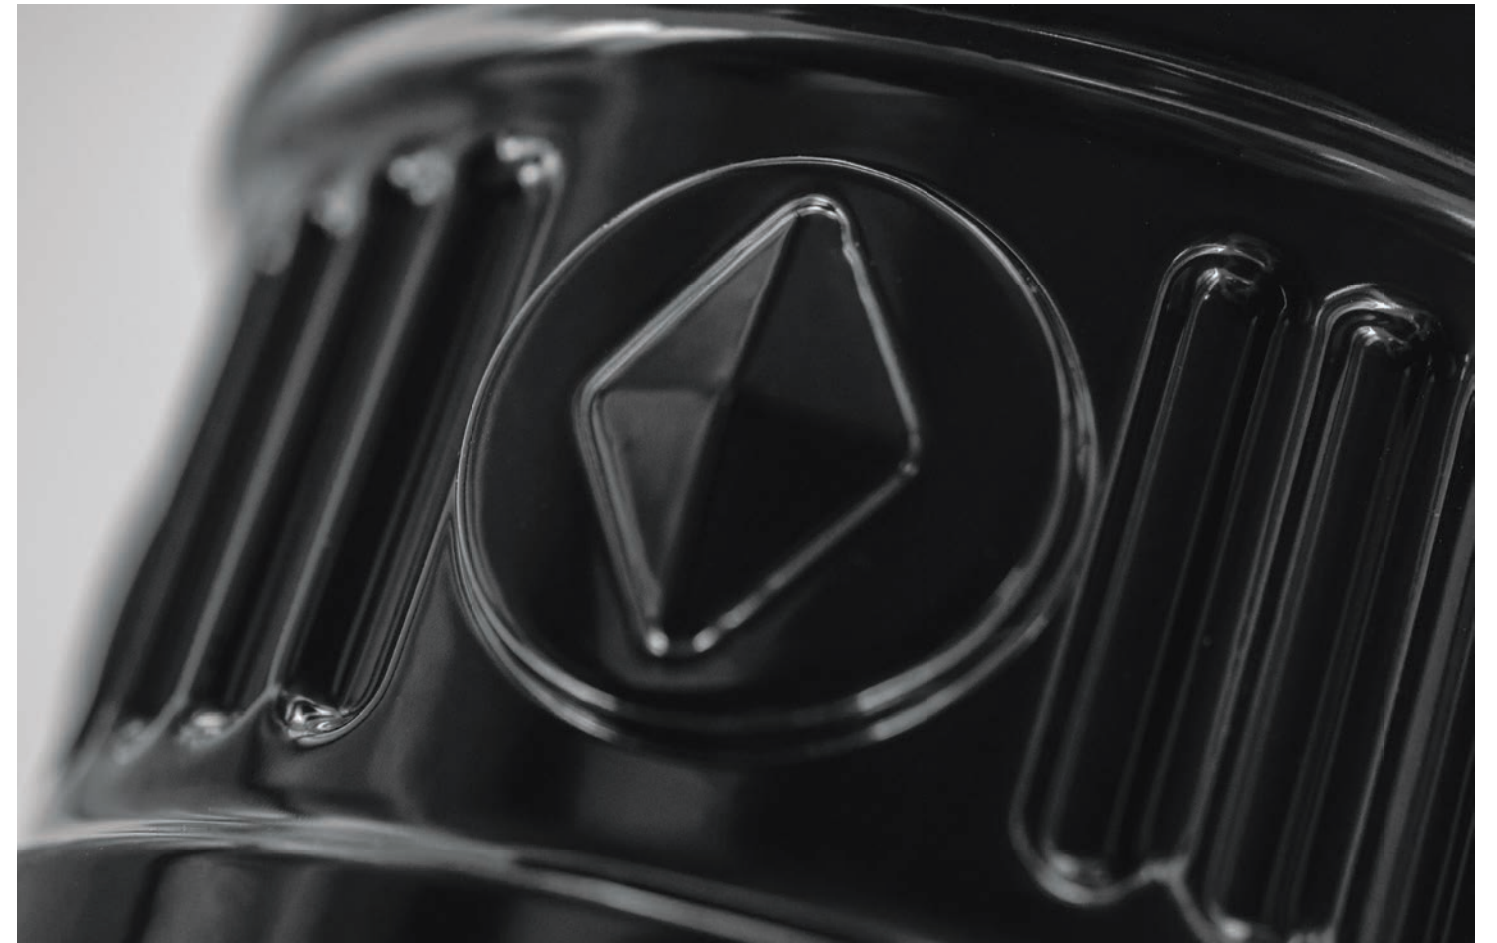

When you call Brandon Industries, the phone will be answered by a knowledgeable team member who can guide you through a process that provides you with the best solution for your project. We will work with you to better understand your project needs and budget before presenting you with a series of design options to complete your project.

Creating Places for People

The decorative castings and finishes in our catalog provide designers, builders, and developers with access to a complete line of products.

The Details Matter

Great looking products are one thing, great looking products constructed from the finest materials and processes are another. At Brandon Industries, we strive to exceed the "typical" or the "standard". We utilize the strongest alloys within each of our aluminum castings. Our black powder coat finishes meet and exceed AAMA 2604 standards for increased durability, gloss, and color retention.
